

102ND IDAHO STATE RAM SALE

The Suffolk Sale of the West!

JULY 8, 2023

FILER, ID || 10:30 am MST

WELCOME TO THE SALE!

For over 100– years, the Idaho Wool Growers Association has hosted a premier ram sale, providing quality animals for flocks across the western states. This year’s sale will be **July 7-8 at the Twin Falls County Fairgrounds in Filer, Idaho.** The sale not only commemorates a century of sheep production in Idaho, but also honors the legacy and lasting impact sheep have had on the state.

What is known as the “Suffolk Sale of the West”, showcases a premier line-up of not only high-quality Suffolks, but also Rambouillets, Columbias, Targhees, and crossbreds from six western states.

After much success, the sale will again have an online video auction component, allowing for ease of access for buyers across the country. The sale can be viewed at this link:

<https://www.liveauctions.tv/auction/2845/bidding>

This year’s promo ewe is again donated by the University of Idaho, the dollars raised from this ewe will go towards funding scholarships for students interested in sheep production and sciences. Last year’s promo ewe raised funds for 2- \$1,000 scholarships.

Thank you for taking the time to join us in Filer or online. Our consignors have put forth a tremendous amount of effort preparing their animals for this sale. We encourage you to take your time as you look through the pens offered. All rams have been inspected by our sale vets and have presented negative Brucella ovis tests. We are proud to ensure you are going home with a sound and healthy ram.

The Idaho Ram Sale is dedicated to providing you with high quality rams to improve lamb quality production in Idaho and beyond. The proceeds from the Idaho Ram Sale support the Idaho Wool Growers Association in its efforts to provide a lasting value and represent the interests of Idaho’s sheep producers of all flock sizes across the state, and work towards the advancement and prosperity of the Idaho sheep industry.

We thank you for taking the time out of your busy schedules to view and attend our sale. This sale is made possible from support from our sponsors, consignors, volunteers, and YOU, the buyers.

RULES & TERMS

Terms- Terms of this sale are cash.

Payment- All checks in payment of rams in the sale are to be made payable to the Idaho Wool Growers Association. All purchases are to be settled for on the day purchased at the office on the grounds. This also applies to any private sales made outside the auction ring. Credit Card services are available at the cashiers table. Credit card processing fees are the responsibility of the buyer.

Bid Disputes- Misunderstanding or dispute regarding bids will be settled by the auctioneer. If there is doubt as to the bid, the auctioneer will cancel all bids made and re-open the sale.

Accepted Bids- None but bona-fide bids will be accepted. Sellers have the right to bid once on each lot offered. Such bids must be handed in writing to the auctioneer before the lot enters the ring.

Price- In bidding on pens, bids will be based on price per head.

Breeding Ability- All sheep sold are guaranteed by the consignor to be breeders. Any animal deemed by the buyer as a non-breeder shall be reported to the seller no more than 90 days following purchase.

The seller has the right to have returned any animal claimed by the buyer to be a non-breeder. In the case where the seller cannot prove the animal to be a breeder, the seller is to refund the purchase price.

Proof of Registration- All singles must be registered. Sellers are to deliver recorded pedigrees for all registered sheep to the office prior to sale. Buyers may request pedigrees of rams sold as "eligible for registration". Upon request, the seller will deliver pedigrees to the buyer at the buyer's expense.

Release- Sheep may be released for shipment before the close of the sale only with permission of the sale barn pen manager.

Fees- The entry fee for livestock consigned to the range ram sale is \$25 per head or \$125.00 for a pen of 5, \$100.00 for a pen of 4, \$75.00 for a pen of 3, or \$50.00 for a pen of 2 and \$25.00 for a pen of 1. Please include these fees with your entry form. These are non-refundable but will be included in the final fee calculation. The selling fee for livestock consigned to the range ram sale is the entry fee or 10% of the sale price, whichever is greater.

No Sale- If a consignor's sheep go through the sale ring and, for whatever reason, do not sell, then the consignor will still be charged the entry fee or 10% of the floored price, whichever is greater, for those sheep not sold. If a consignor sells any of his stock on the grounds by private treaty (i.e. outside of the sale ring), said consignor is to submit to the Idaho Wool Growers Association a fee equivalent to the selling fee.

IWGA Membership- All Consignors, including individual family members who have consigned sheep, will need to be members of the Idaho Wool Growers Association. If the membership has not already been paid, the membership fee must be submitted with the entry fee for participation in the ram sale to be considered.

Ownership- All sheep on the grounds are held at the consignor's risk until sold. Ownership changes when the sheep are sold in the ring. Sheep are held at the purchaser's risk from that time on.

Buyer/Seller Disputes- The Idaho Wool Growers Association shall not be held liable for any damages, either real or perceived, resulting from defection, disease or misrepresentation of rams and ewes purchased at this sale. The association, however, will attempt to resolve any such claims between buyer and seller if said claims are submitted to the association office within 30 days of the date of the sale. In disputed cases between buyer and seller, the President of the Idaho Wool Growers Association is authorized to appoint a committee of three persons and the decision of this committee shall be binding upon both the seller and buyer. If the consignor is at fault, the consignor will pay the expense of adjustment. If the committee disallows the buyers claim, the buyer will pay the expense of the investigation.

Misrepresentation and Adjustments- No consignor may willfully misrepresent stock or refuse to be governed by the rules of the association in making adjustments.

Integrity- The Idaho Wool Growers Association will make every effort to conduct the sale in an honorable manner, to allow no false practices or false bidding, to protect both buyer and seller in every reasonable way. Under no circumstances does the Idaho Wool Growers Association assume any liability whatsoever.

Enforcement- Violation of rules will result in dismissal from the sale and barring from future sales.

Authorization- Consignors, in making entry, agree to comply with the above provisions. Rams and ewes consigned are subject to release on authorization of the Ram Sale Committee whether sold or unsold.

SALE INFORMATION

SUPPORT THE ASSOCIATION

The most valuable tool Idaho sheep producers have for a strong industry is their state organization. By supporting the Idaho State Ram Sale, whether it be donating to the promo ewe, purchasing a ram, or even buying a raffle ticket, you are supporting the Idaho Wool Growers Association and it's efforts to promote, educate and advocate for the Idaho Sheep Industry. All sheep producers and friends of the industry are urged to join and welcomed to join the Idaho Wool Growers Association.

DISCLAIMER

The Idaho Wool Growers Association disclaims any liability for any injury or damage to any person or property resulting from any cause whatsoever occurring in or about the grounds or premises wherein said ram sale is being held, or for any failure of the State of Idaho or the Superintendent of Grounds or any other person to keep said grounds or premises in good condition and repair.

RAM SALE COMMITTEE CHAIRMAN MESSAGE

The year 2023 marks the 102nd Anniversary of the Idaho State Ram Sale. On July 7-8 at the Twin Falls County Fairgrounds in Filer, Idaho we will celebrate 102 years of history and progress in the sheep industry. The Idaho Wool Growers Association is proud to offer arguably some of the best rams in the Western States.

We have a 102-year history of providing high-quality breeding stock to sheep producers and this is the only state-wide sheep sale in Idaho. The Sale is a fantastic way for any sheep producer to build their herds with superior genetics for the progressive sheep industry.

I would like to invite all to attend both the BBQ and Sale.

Each year, one ewe is donated to the ram sale for the purpose to raise money to promote the Idaho Sheep Industry. The funds raised at this year's sale will go towards funding scholarships for college students interested in careers in sheep production and related sheep industry areas.

Be a part of continuing the legacy of the Idaho Sheep Industry by helping our next generation of sheep producers, scientists, nutritionists, veterinarians, and operators the means to make the goals a reality.

Thank you to the 2022 Promo Ewe Donors who helped fund the IWGA College Scholarship Program!

You can choose to bid on the ewe to take home yourself, or have the opportunity to "bid" your donation that will be added onto your purchases at the end of the sale.

This fun tradition dates all the way back to 1921, when the first Ram Sale took place!

The 2023 Promo Ewe was donated by the University of Idaho Sheep Center. This year's ewe is a Suffolk from the University of Idaho flock. UI has taken tremendous steps developing, improving and strengthening genetics of their flock to produce quality animals for all sheep producers of Idaho.

Thank you to the University of Idaho for donating the ewe for this year's auction!

SCHOLARSHIP RECIPIENTS

At the 101st Idaho State Ram Sale, the promotional ewe was auctioned off and raised funds to supply 2- \$1,000 scholarships for students with an interest in sheep related careers.

Congratulations to the 2023 College Scholarship Recipients!

“I want to give back to the sheep industry in Idaho in every way I can because it has been a major component of my life and the opportunities I have had. Legislation and policy have one of the largest impacts on the agricultural industry. After graduating with my Bachelor’s degree I plan to work in agricultural policy and give back to the sheep industry, helping producers to continue the success of one of Idaho’s oldest industries.”
